Product Profile

RESCUERXX™

WHAT IT IS
A highly effective daily Keratin treatment.

WHAT IT DOES
- Clinically proven results:
  1 week results:
  - 80% said white spots were less noticeable
  - 80% said condition of nails was noticeably improved
  - 70% noticed nails felt thicker

  4 week results:
  - 73% experienced a decrease in splitting
  - 80% experienced a decrease in peeling
  - 60% experienced a decrease in white patches
- Repairs damaged nails by redepositing Keratin onto the surface of the nail.
- Repeated use drives keratin and jojoba oil deeper into natural nails creating a cumulative effect that rebuilds keratin back to the nail's natural state.

WHY YOU NEED IT
To repair nails damaged by mechanical force and environmental effects.

FEATURED INGREDIENTS & BENEFITS
Jojoba Seed Oil (Simmondsia Chinensis):
Deeply penetrating natural oil for excellent moisturizing and conditioning. Jojoba Oil acts like a carrier to increase penetration of other ingredients.

Keratin Protein:
A main component of the natural nail, solubilized keratin proteins bond to the natural nail to help strengthen the nail plate.

Sweet Almond Oil (Prunus Amygdalus Dulcis):
Softens and conditions.

DIRECTIONS FOR USE
- Apply to bare natural nails twice daily, massaging into the entire nail, extension edge and cuticle.
- Use for up to 4 weeks for optimal results.
