

CND® LED LAMP

WHAT IT IS

A light-curable LED nail lamp designed to cure all CND® light-curable nail systems.

WHAT IT DOES

It is designed for a Complete Chromatic Cure of CND® SHELLAC®, BRISA® Gel and BRISA® Lite Removable Gel.

WHY YOU NEED IT

The CND® LED Lamp, when used according to recommended exposure times, produces a complete cure necessary to assure proper adhesion, toughness and wearability of all CND® light-curable nail systems.
